

# **NEW MAILBOXES**

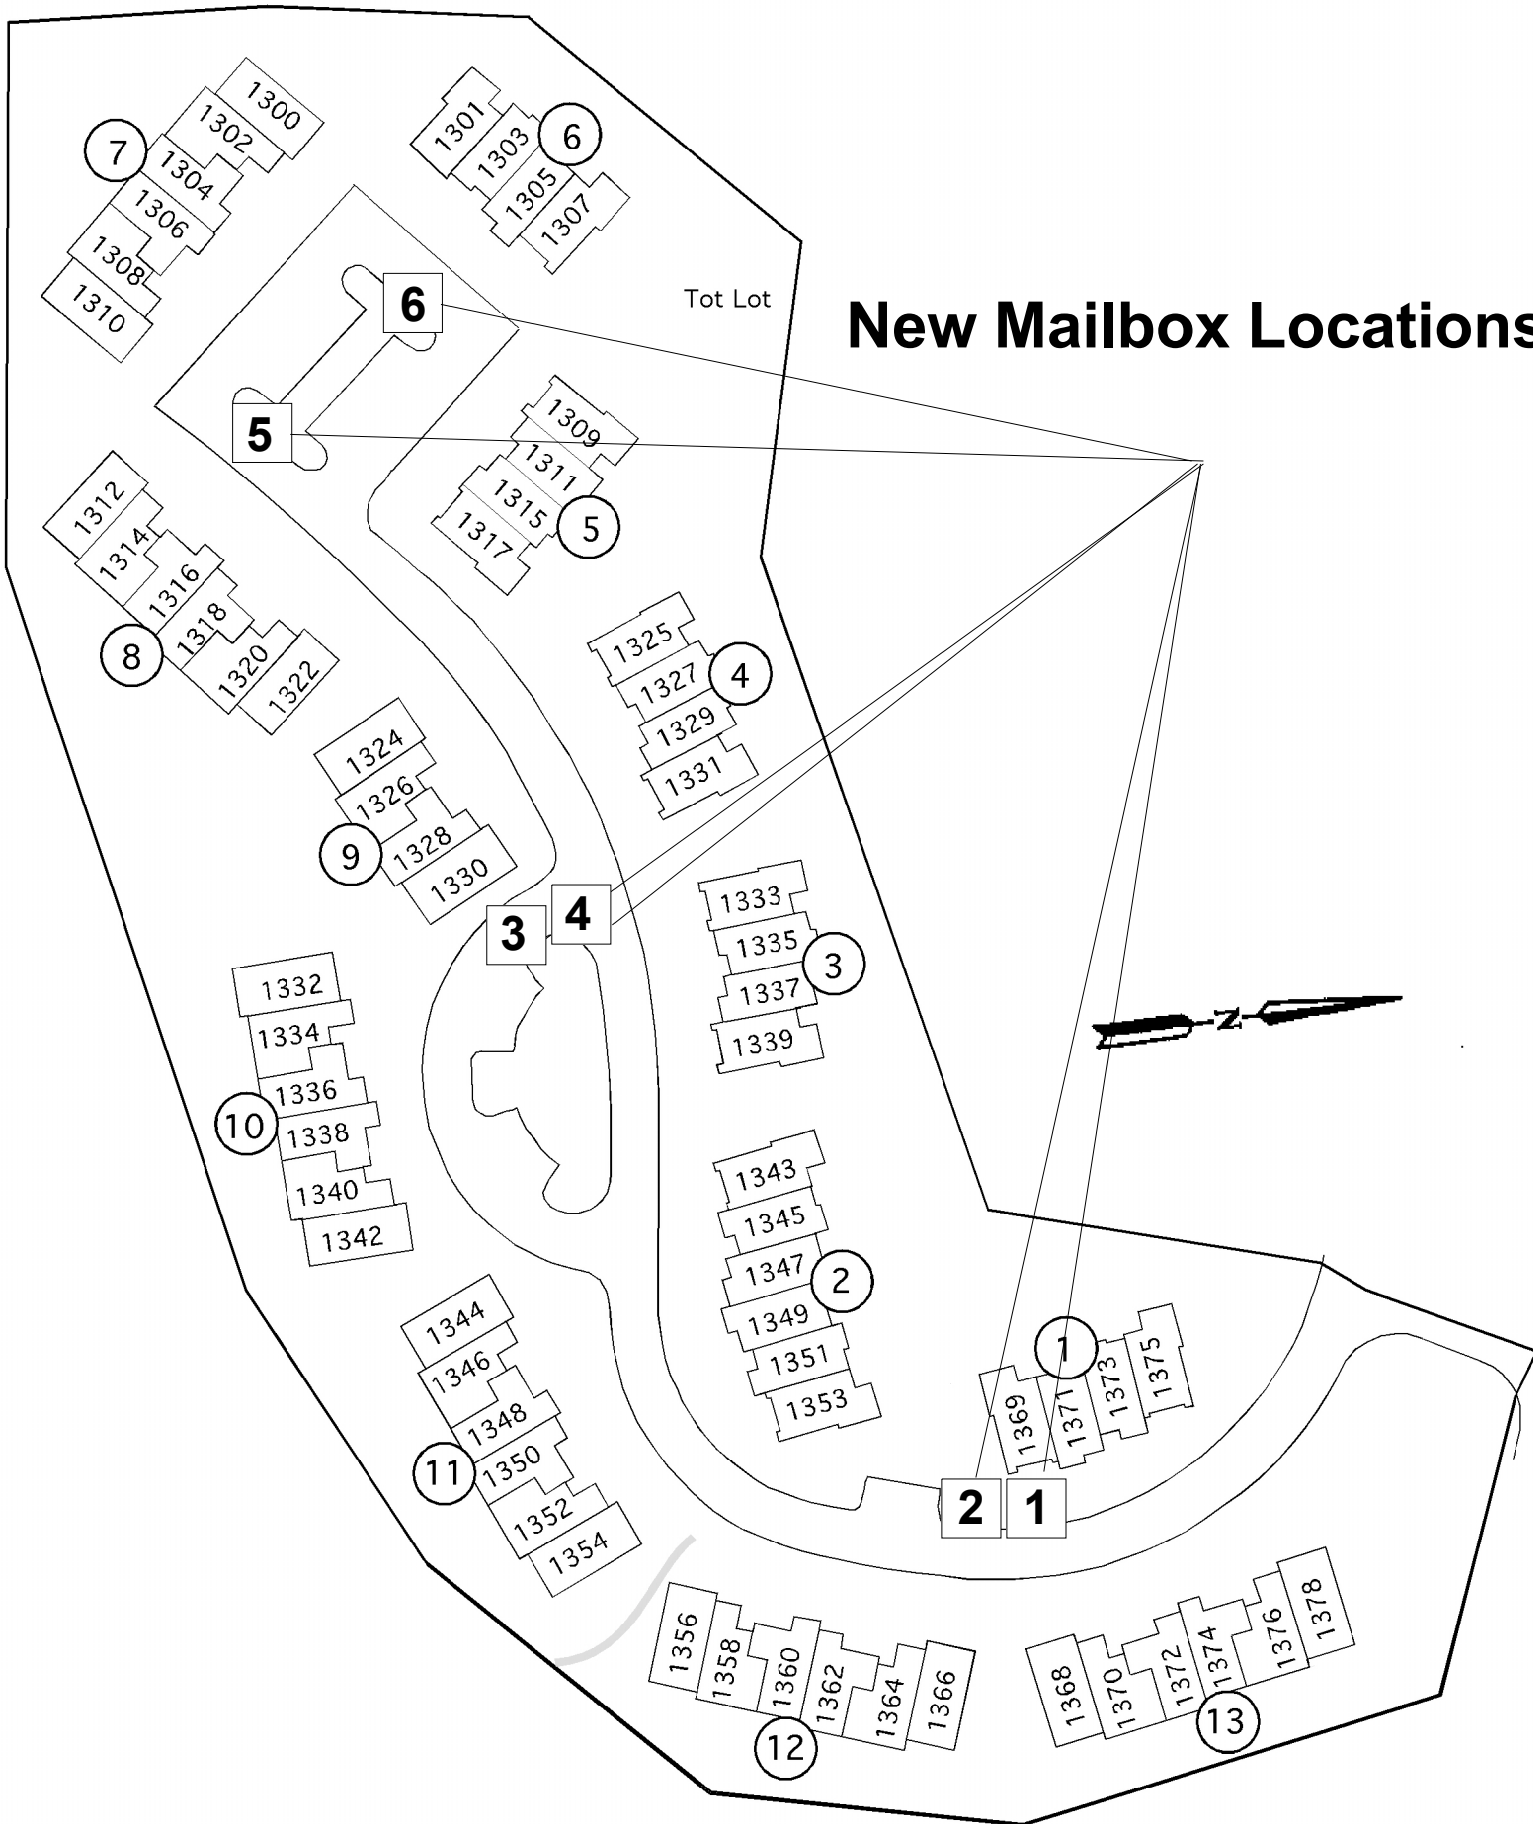

**New mailboxes have been installed. The locations of two of the old mailboxes have been changed, and eventually, the old mailboxes will be removed. The location of the new mailboxes is on the back of this page.**

**Keys to the new mailboxes will be delivered to your old mailbox in the next week or so. Mail will not be delivered to your new mailbox until the keys have been placed in your old mailbox.**

**To find your new mailbox, please see the attached sheet.**

**Note: Box 2 and box 4 are not installed in the correct location as of Saturday, August 22. They will be swapped as soon as we can get the contractor out here again. Box 2 should be an 8-compartment unit (it is a 12), and Box 4 should be a 12-compartment unit (it is an 8). Mail will not be delivered to the new boxes until this is corrected.**
